

ADOPT STREAM

Free Volunteer Monitoring Training

9 a.m.-3:30 p.m. Tuesday, Oct. 24

Dent Middle School, 2721 Decker Blvd., Columbia

Attend this free training and become a certified Adopt-a-Stream volunteer! Participants will learn how to collect water samples and perform chemical and bacterial assessments to measure water quality in a stream over time. Come prepared to enter a shallow creek! Participants will be given hands-on instruction about:

- Selecting an appropriate monitoring site
- Properly using and storing equipment
- Entering data into the Adopt-a-Stream database
- Practicing safety while collecting samples

Registration is required by Oct. 20. Register online at <https://aasrichlandchemical.eventbrite.com>.
